Bryan Daly

Dive into Chef Bill's mouth watering taco bar then . . .

Join Bryan Daly for an exploration in watercolors. Together, you will work to create a simple watercolor landscape while learning how to mix color, create reflections and the glow of a sunset.

Bryan will walk you through his process and discuss the different techniques that he uses to apply his watercolors.

***Bryan Daly** began making art at a very young age. Growing up as an only child, Bryan entertained himself with creative expression. Bryan was influenced by his artistic mother and learned to work with a variety of mediums and techniques that helped him blossom as an artist.*

*Bryan is a landscape painter at heart and enjoys painting spiritual works that stem from his meditative experiences. His vivid landscapes/seascapes are applied with acrylic, oil and watercolor. Bryan is now pursuing a Graphic Design and Business Degree at CCSU. Bryan also enjoys collaborating with the customers that he meets as a **Lead Associate at Blick Art materials in Plainville, Connecticut** where he occasionally designs and leads demonstrations for community artists.*

"I hope to share the beauty of the life and peace that I witness in nature." -B.D.
